HIGHLAND.

Roadworking is the order of the day. Faulkner & Burton expect to begin sawing next week.

The Greasy Ridge school began last Monday with Caleb Newell as teacher. Wm. Fields and Charley Dawes have bought up a lot of hogs in this vicinity.

Richard Young has moved into the Hen Baugh property on the corner. J. B. Floyd has moved to the old Baugh place.

Mrs. Maggie McKenzie, whose house and most of the contents burned a few nights since, has moved to Mr. Fox's house near Pleasant Point.

Hutchison. Miss Annie McKee, teacher of our school, has gone to visit her homefolks at Kingsville. Mrs. Southworth, of Louisville, spent a few days with Misses Hannah and Emma Meier, who have returned from Corbin.

The small-pox scare having subsided somewhat, our churches will hold services and Sabbath school as formerly. Rev. Charles Evans, of Kingsville, filled the pulpit of Rev. Cannon at the Methodist church Sunday. Eld. Carr will preach at the Christian church Sunday. Eld. Owens, who served that church as pastor for 40 years or more, and who is now about 85 years old, will also be here and take part in the services. Several of our people have been attending revival services at Jumbo, conducted by Rev. A. P. Jones, of London, and C. Sipples, of Jumbo.

Prospects are good for a heavy chestnut crop this year.

Miss Ada Gooch assisted Eld. John Long in his services at Pine Grove Sunday.

The pikes extending into this section have been very badly washed by the recent hard rains, which makes traveling very uncomfortable.

Mrs. G. W. Russell, of Cincinnati, has been visiting her sisters, Mesdames G. A. Adams and A. A. Crutchfield. Victor Henson, who has been employed in the city for some time, is paying the homefolks a visit.

Another Good man Gone Wrong.

He neglected to take Foley's Kidney Cure at the first signs of kidney trouble, hoping it would wear away, and he was soon a victim of Bright's disease. There is danger in delay, but if Foley's Kidney Cure is taken at once the symptoms will disappear, the kidneys are strengthened and you are soon sound and well. A. R. Bass, of Morgantown, Ind., had to get up 10 or 12 times in the night, and had a severe backache and pains in the kidneys, and was cured by Foley's Kidney Cure. Penny's Drug Store.

Prof. L. C. Bosley states that next year he expects to have a large attendance at the Centre College Academy notwithstanding the fact that he had 18 graduates last year. All but one or two of these intend to enter college and will form a fine nucleus for the Freshman class. Prof. Bosley will be assisted next year by his brother, Mr. J. L. Bosley, and by Mr. F. P. Cheek. Thomas Connelley was halted by two white highwaymen, while en route from Junction City, and \$4.50 in money was secured. Mr. Connelley's watch was taken, but the robbers returned it to him, saying, "It's not worth carrying."—Advocate.

They Appeal to Our Sympathies.

The bilious and dyspeptic are constant sufferers and appeal to our sympathies. There is not one of them, however, who may not be brought back to health and happiness by the use of Chamberlain's Stomach and Liver Tablets. These tablets invigorate the Stomach and Liver and strengthen the digestion. They also regulate the bowels. For sale by all druggists.

Fire in the Louisville and Nashville railroad shops at Howell, Ind., destroyed the blacksmith and boiler department, causing a loss of \$25,000.

The sad news came that Mrs. Houph, of Somerset, but formerly of this place, was dead. Deceased was about 62 years old and died of kidney trouble. The remains were brought here and buried at Pleasant Point. A husband and large family mourn the loss of this good wife and mother.

A number of sewing machine men are stopping at the hotel here. Wm. S. Burch, of Stanford, was here Monday. Elvreda Floyd, of Somerset, is visiting his mother here. Miss Bertha Gooch has gone to Corbin to be with Mrs. J. M. McCarty. Miss Mattie McCowan returned to Lexington to-day. The Cumberland River Association has been called off this year on account of small-pox in the Pleasant Point section, where the association was to have been held, writes Mr. Ed B. Caldwell, who has been clerk for many years. It has been decided to hold the next meeting with the Pleasant Point church beginning Tuesday before the first Saturday in September, 1906.

Fell Dead.

A man fell dead in Chicago the other day from heart trouble, and thousands die every day in the same way. But the cause of nine out of 10 of such cases of heart trouble is indigestion. The cure is Dr. Caldwell's (laxative) Syrup Pepsin. The explanation is that the swollen, inflamed, and engorged stomach, presses right up against the heart and prevents it from working; your heart flutters, palpitates, pains and you are short of breath; some lose it forever. Just try for these symptoms, a few doses of Dr. Caldwell's Syrup Pepsin, and see how quickly it will cure you. Sold by G. L. Penny, Stanford, C. W. Adams, Hustonville, at 50c and \$1.00. Money back if it fails.

Judge A. M. J. Cochran, of the United States District Court at Maysville, adjudged the Hume-Cooperage Company, of Richmond, a bankrupt upon petition of the four banks of Richmond. Hon. R. W. Miller and Mr. Walter Bennett, president of the Madison National Bank, were appointed receivers and directed to take charge of the cooperage plant and continue its operation.

Hints To Houseworkers.

Nothing is more important to the hardworking housekeeper than to keep her liver properly working otherwise, that pale sallow look, and tired feeling, will make her look as sick as a dog. Nothing will keep you up to the mark, without injurious stimulations, so well as Dr. Caldwell's (laxative) Syrup Pepsin. It is a pure liver tonic—a cure for Constipation, Biliousness, and Indigestion. Sold by G. L. Penny, Stanford, C. W. Adams, Hustonville, at 50c and \$1.00. Money back if it fails.

Given Up To Die

B. Spiegel, 1204 N. Virginia St., Evansville, Ind., writes: "For over five years I was troubled with kidney and bladder affections which caused me much pain and worry. I lost flesh and was all run down, and a year ago had to abandon work entirely. I had three of the best physicians who did me no good and I was practically given up to die. Foley's Kidney Cure was recommended and the first bottle gave me great relief, and after taking the second bottle I was entirely cured." Penny's Drug Store.

Blair P. St. John, of Brooklyn, a former student of the University of Kentucky, was drowned at Pittsburg by the capsizing of a canoe.

GEORGE B. COOPER.

There are few, if any more popular men in Lincoln county than Mr. Geo. B. Cooper, known by his legion of friends as "Thompy." No man in our knowledge is more obliging or will go further for a friend than the subject of this sketch. Mr. Cooper is the democratic nominee for county clerk, a position which he is filling most acceptably to the thousands of people who have business in the county clerk's office. He had no opposition when last elected and if the republicans know what is good for themselves they will make no nomination for that office when they meet Sept. 23. No truer or more faithful democrat lives than Mr. Cooper, who has given liberally of both his time and means to the furtherance of party interests. He is polite, affable and highly competent. In discharging his duties he is always ready to find a record or give any instructions in reference to the detail work of the office. In fact he realizes that he is a public servant and that his time belongs to the people and he cheerfully gives it to them. Mr. Cooper is a married man with eight children and we hope we do not speak too frankly when we say he needs the office. His wife was a daughter of the late Mr. James M. Cook, of Hustonville, and like her father and husband is a dyed-in-the-wool democrat. Mr. Cooper was born January 4th, 1857, and belongs to a large and influential family. His ancestors came from Virginia and he is the fifth of a family of 11 children. He was educated at Hustonville Academy and is a member of the Masonic fraternity.

While firing an old cannon in celebration of his birthday, Walter Chenault, of Madison, was badly injured by a premature explosion. He may lose the sight of both eyes.

Louis Hammond, Deputy Town Marshal of New Castle, shot and probably fatally wounded Lego Gingle, who was running from the officer to avoid arrest on a misdemeanor charge.

Detroit oil operators will probably buy the property of the Big Five Oil Co. in Knox county, drill new wells and renovate the old ones. The Standard Oil Company continues to pay rentals on immense holdings in various fields.

In a detailed statement made to the officers of Franklin county, William Newton fixes the responsibility for the murder of the Smiths at Elmville on his cousin Cal Newton, now in the Frankfort jail. He says Cal Newton related to him and also to his father and mother the story of the double murder, and sought the aid of all in establishing an alibi.

Cured Hay Fever and Summer Cold.

A. J. Nusbaum, Batesville, Indiana, writes: "Last year I suffered for three months with a summer cold so distressing that it interfered with my business. I had many of the symptoms of hay fever, and a doctor's prescription did not reach my case, and I took several medicines which seemed to only aggravate my case. Fortunately I insisted upon having Foley's Honey and Tar and it quickly cured me. My wife has since used Foley's Honey and Tar with the same success." Penny's Drug Store.

The killing of George Farris, a lumberman of Grays, Knox county, near the Laurel county fair grounds, is causing great excitement, says a London dispatch. Virgil Bowers, colored, of Altamont, the confessed slayer, is in the London jail. Louis Bledsoe, colored, and Jim Hale have made affidavits that Bowers shot Farris because he failed to speak to him after he had spoken to Farris, saying, "I'll make you speak." The men were strangers. The dead man was left alone till morning, and when found had been robbed, but not by his slayer. The Negro's friends say he was crazy. The jail is well guarded to prevent lynching. Sheriff Baughman received a telegram Friday to look out for Bowers, who once lived near Maywood, and that officer made a search for him Friday night. Bowers was arrested near Pittsburg Saturday.

FATAL ACCIDENT. - Miss Dollie Vano, aged 24, daughter of Mr. C. Vano, a well-known farmer of this county, was thrown from a buggy near Columbia yesterday morning and instantly killed, her neck being broken. Miss Mary escaped with a few bruises. Last year Miss Vano attended the Indianapolis Oral School with a view to qualifying herself for a teacher and would have returned to that institution next week had not the ruthless hand of death been laid upon her. Mr. J. N. Menefee, a close friend of her family, went to Columbia yesterday and accompanied Miss Vano's remains to McCormack's church, where she held a membership, and where, after short services at 4 o'clock this afternoon they will be laid away in their final resting place.

A Warning to Mothers.

Too much care can not be used with small children during the hot weather of the Summer months to guard against bowel troubles. As a rule it is only necessary to give the child a dose of castor oil to correct any disorder of the bowels. Do not use any substitute, but give the old-fashioned castor oil, and see that it is fresh, as rancid oil nauseates and has a tendency to gripe. If this does not check the bowels give Chamberlain's Colic, Cholera and Diarrhoea Remedy and then a dose of castor oil, and the disease may be checked in its incipency and all danger avoided. The castor oil and this remedy should be procured at once and kept ready for instant use as soon as the first indication of any bowel trouble appears. This is the most successful treatment known and may be relied upon with implicit confidence even in cases of cholera infantum. For sale by all druggists.
